RECOMMENDED SOURCE LIST - GENERAL PHARMACY HISTORY AND PHARMACY EQUIPMENT

Access

Some of these books are likely to be obtainable through your local public library. Others on this list may only be available at a specialist medical or history library. For information on the Society's own library see www.rpsgb.org/informationresources/library

More specific topics?

The Museum produces a range of booklists on pharmacy history topics e.g. bronze mortars, women in pharmacy history, English drug jars. Please contact the Museum for more information museum@rpsgb.org

The British Society for the History of Pharmacy published *A Guide to Sources in Pharmaceutical History* in 1990 which gives references across a broad range of pharmacy topics.

The indexes of specialist journals including *Pharmaceutical Historian* and *Pharmacy in History* can also be useful sources.
